Why choose Brewery Pre-School as your child's early learning centre?

We incorporate Indoor & Outdoor toys and games. We have an All-weather play area. Our children enjoy both free play & planned play. Our child centred curriculum is to enhance and develop your child's learning.

Our belief is to create an atmosphere in which your child's self-expression, interests, creativity along with play is the key to how they learn, grow, thrive and develop friendships.

To drop off and pick up your little ones.

Where teaching is outstanding, staff promote language development, thinking and problem-solving skills extremely well.
